# QUESTIONS AND ANSWERS

**Do I Have to be Based in the United States in Order to Enter?** Organizations based outside of the U.S. are welcome to apply. We regularly receive entries from **Australia, Austria, the Benelux, Bermuda, Canada, China, Czech Republic, Germany, Hong Kong, India, Indonesia, Israel, Japan, Korea, Mexico, New Zealand, Norway, Saudi Arabia, South Africa, Sri Lanka, Switzerland, Turkey, and the U.K.**

**When Must I Have Created My Publication?**  
It must have been disseminated within the last 12 months.

**How Should I Submit My Entry?** Entries can be submitted in both hard- and soft-copy formats. The preferred soft-copy format is PDF. Contact us if you need to use another entry medium. Cover letters are welcome but not required. [Only one copy of each edition needs to be provided for judging.](#)

**Can I Upload My Entire Entry?** Yes! All materials can be sent to us online at <http://www.lacp.com/upload>. This can include submissions, entry forms, cover letters, videos, PDFs and more. Need help? Chat with us online at [www.lacp.com/support](http://www.lacp.com/support)

**How Does Judging Occur?** Award results are based on the judging of submissions within peer-level competition classes. They are determined according to company size, annual revenue, and other pertinent factors. Scoring is derived according to LACP's proprietary judging system, which grades various criteria of an entry. A composite score is then determined. Your Results Kit will provide full details on the judging methodology as well as feedback on your report.

**Should I Include a Cover Letter?** While not mandatory, it does help judges better understand an entry's goals, target audience, messaging, development, and success metrics.

**How Do Competition Classes Work?** All entrants are required to enter the General Competition—this is where the heart of judging takes place, primarily among organizations of similar size and means. If you believe your entry stands out in any of the other achievement categories (e.g. Most Creative, Most Improved), you can enter those separate competitions and contend against all other entrants solely on that category's single criterion. "Special Achievement" categories include regional awards, as well.

**Are Late Entries Accepted?** Yes, through 21 October 2022. We may be able to make special arrangements for exceptional circumstances—contact us at [www.lacp.com/contactus](http://www.lacp.com/contactus)

**Do I Have to be an LACP Member to Enter?** No.

**LEGAL INFORMATION:** Fortune 500 is a registered trademark of Fortune Magazine. All entries become property of LACP LLC unless otherwise arranged. All entrants agree to waive LACP LLC of all liability pertaining to the conduction of its competitions and related programs. International entrants are responsible for all customs duties and taxes.

## How to Enter in Three Easy Steps

- 1) Package Your Entry.** Select one or more editions of your digital, print or video publication for judging. Only one copy of each edition is needed. Please avoid stapling or paper-clipping any material to the front cover of your publication since all entries will be scanned. Completed publications awaiting printing can be submitted on a CD in PDF format.
- 2) Complete the Entry Form.** Complete all fields for you and/or your client as accurately as possible. A one- to two-page cover letter is optional.
- 3) Mail Your Entry.** You're done! Entries must be shipped by deadline.

## Important Dates
