Winter 2023

Nothing distinguishes your work and brings recognition to you and your team more than honors from the 2022/23 Vision Awards, the most popular competition for annual reports, sustainability reports, CSRs, online reports and related media.

From **Abbott** to **Zurich Financial**, companies large and small **compete against peers of similar size and means** to earn esteem for their achievements. In fact, entries from upwards of two dozen countries competed in the Vision Awards last year alone.

Annual Report Competition

QUESTIONS AND ANSWERS

Do I Have to be Based in the United States in Order to Enter? Organizations based outside of the U.S. are welcome to apply. We regularly receive entries from **Australia, Austria, the Benelux, Bermuda, Canada, China, Czech Republic, Germany, Hong Kong, India, Indonesia, Israel, Japan, Korea, Mexico, New Zealand, Norway, Saudi Arabia, South Africa, Sri Lanka, Switzerland, Turkey, and the U.K.**

When Must I Have Created My Report?
It must be for the most recent fiscal year.

How Should I Submit My Entry? Entries can be submitted in both hard- and soft-copy formats. The preferred soft-copy format is PDF. Contact us if you need to use another entry medium. Cover letters are welcome but not required. [Only one annual report needs to be provided for judging.](#)

Can I Upload My Entire Entry? Yes! We can allot up to 2 gigabytes of online storage for receiving your reports, cover letters & other materials. Just send in your entry form, and we'll e-mail you a link. Or tell us via online chat at www.lacp.com/support

How Does Judging Occur? Award results are based on the judging of submissions within peer-level competition classes. They are determined according to company size, annual revenue, and other pertinent factors. Scoring is derived according to LACP's proprietary judging system, which grades various criteria of an entry. A composite score is then determined. Your Results Kit will provide full details on the judging methodology as well as feedback on your report.

Should I Include a Cover Letter? While not mandatory, it does help judges better understand an entry's goals, target audience, messaging, development, and success metrics.

How Do Competition Classes Work? All entrants are required to enter the General Competition—this is where the heart of judging takes place, primarily among organizations of similar size and means. If you believe your entry stands out in any of the other achievement categories (e.g. Most Creative, Most Improved), you can enter those separate competitions and contend against all other entrants solely on that category's single criterion. "Special Achievement" categories include regional awards, as well.

Are Late Entries Accepted? Yes, through 19 January 2024. We may be able to make special arrangements for exceptional circumstances—contact us at www.lacp.com/contactus

Do I Have to be an LACP Member to Enter? No.

How to Enter in Three Easy Steps

- 1) Package Your Annual Report.** Carefully package one (1) copy of the latest annual report for your company or client. Please avoid stapling or paper-clipping any material to the front cover of your publication since all entries will be scanned. Completed annual reports awaiting printing can be submitted on a CD in PDF format.
- 2) Complete the Entry Form.** Complete all fields for you and/or your client as accurately as possible. A one- to two-page cover letter is optional.
